THE FEAST

SATURDAY JULY 15, 2017

This is considered the main event, The Feast. Over 1000 people attended the first annual Culinary Feast in 2016 and enjoyed the best night of summer. On Saturday beginning at 5 p.m. at Centennial Golf Club's event lawn, guests will be allowed to enter a culinary and beverage heaven. Once inside, their ticket gets them unlimited food and beverage throughout the evening. Sample amazing cuisine made on-site from more than a dozen local chefs/restaurants as you wander from booth to booth. In addition to the culinary delights, guests can sample beers from Caldera, wines from 12 local wineries and try unique cocktails from our spirits tent. In between samples they can also visit the Silent Auction tent to bid on fun vacation packages to Las Vegas, Tahoe, Portland, San Diego, Mexico, Bend or Eugene for a Duck game as well as loads of other great items to purchase. Corporate tables will be spread throughout the grounds in addition to bistro tables and other displays from local sponsors. The party kicks into another gear beginning at 7 p.m. once the live dance band, Precious Byrd, hits the stage and plays well into the night. Precious Byrd features Grammy Award winning artist Lonnie Chapin. Precious Byrd played the 2016 event and the response was so over the top from people who attended that we are bringing them back for the 2017 event.
