Monthly Donations

Would you like to make a measurable impact on the lives of abused and neglected children but do not know where to begin? Register to donate monthly and become a life changing member of our CASA Starfish Society. Automatic donations -of any amount- are easy to set up and ensure that we have the resources to sustain operations. When you become a monthly donor, you will join a special group of people reaching out each month to children in our community. Together, we can make an impactful difference and give hope of a better life.

CASA Legacy Gifts

Did you know there are ways to support CASA of Jackson County that will not affect your current lifestyle or your family's security? You can support CASA with gifts that do not impact the way you live by designating CASA of Jackson County to receive estate assets from your will or estate in the future. Your **Legacy Gift** will carry on by ensuring children impacted by abuse or neglect will have a CASA walking beside them.

Linny's Book Nook

Linda Matthews served on the CASA Board of Directors for many years. Knowing Linda's generous heart and love for children, we named our CASA library in honor of her generous support.

Linny's Book Nook accepts both new and gently used book donations.

Fund for Children's Needs

Children removed from their homes in an emergency situation often do not leave with clothing, toiletries or other needed items. Generous donors and organizations in our community help provide these items. Donations of new items are always appreciated and accepted.

We also do our best, when available funding allows, to provide requested items such as a special needs wheelchair, admission to camps, scientific calculators, spending money for a school choir or sports trip, swim lessons, etc.
